Re: Annual Report

Dear Joan:

I submit the Annual Report of the History Committee of the United States District Court for the Eastern District of Missouri. Treasurer Ann Buckley will be submitting a separate Treasurer's Report.

During the last twelve months my oral history was filmed and produced, thanks to the extraordinary efforts of Judge Stephen N. Limbaugh, Jr. Final editing by Adam Zipprich is almost completed, and the final disc will soon be in the Learning Center.

The next two of the Seventeen Most Significant Cases Ever Decided in the Eastern District of Missouri, *Jones v. Alfred H. Mayer Co.* 392 U.S. 409 (1968) and *Lloyd E. Schlup v. Paul K. Delo*, 513 U.S. 298 (1995), are almost ready for filming. I do not want to complete these until all of the others we have completed are on display in the Learning Center. I am advised by Mr. Zipprich, installation will be accomplished, soon.

Judge Limbaugh, Rachael Marshall represented our branch committee and I participated in the Eighth Circuit History Committee Program at the Eighth Circuit Judicial Conference in Rogers, Arkansas earlier this summer.

Thank you for your consistent strong support for the History Committee.

Regards,

E. Richard Webber
Senior United States District Judge
