Re: Report of the History Committee
for the Eastern District of Missouri

Dear Joan:

Final edits are being completed in Judge Edward L. Filippine's oral history DVD which will soon be on display in the Learning Center of the Thomas F. Eagleton Courthouse. Judge Donald J. Stohr's oral history interview was taped on June 22, 2010, in Judge Stohr's chambers. A transcript is being prepared for review. On May 24, 2010, I conducted an initial interview with William H. Webster in Washington, D.C., in anticipation of setting a date for taping his oral history.

Mr. Burton Boxerman has completed seven chapters of our book, *The History of the Eastern District of Missouri*. No publication date has been set.

Respectfully submitted,

E. Richard Webber
Senior, United States District Judge
